The Elden Ring, one of the most renowned games, welcomes you to this new fantasy action RPG. Rise, Tarnished, and be guided by grace to brandish the power of the Elden Ring and become an Elden Lord in the Lands Between. A Vast World Full of Excitement A vast world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected. As you explore, the joy of discovering unknown and overwhelming threats await you, leading to a high sense of accomplishment. Customize your character In addition to customizing the appearance of your character, you can freely combine the weapons, armor, and magic that you equip. You can develop your character according to your play style, such as increasing your muscle strength to become a strong warrior, or mastering magic. In addition to multiplayer, where you can directly connect with other players and travel together, the game supports a unique asynchronous online element that allows you to feel the presence of others. Rich and Multifaceted Story A multilayered story told in fragments. An epic drama in which the various thoughts of the characters intersect in the Lands Between. Take control of multiple characters An action game that continuously delivers an unprecedented amount of excitement. Take control of multiple characters and interact freely with other characters in the game. Unique Action Combat that provides you with refreshing thrills Take control of multiple characters and fight together with them or versus them. In addition to your own skills, you also have access to powerful skills and abilities that other characters will possess. Enjoy an Epic Drama that Comes to Life in Real Time Experience a fantasy drama that comes to life in real time. A drama that takes place in the Lands Between. A drama that comes to life in real time. Official Release Details:

Elden Ring for Nintendo 3DS
Release date 29 April 2013
Cat. No. 3DS-0151

ESRB Rating: TEKKEN
GCAM: L

Last week, THQ announced the most anticipated PlayStation Vita RPG, Tekken Tag Tournament 2, just ahead of its release on the portable powerhouse. Then along comes a new DS action RPG, where do you go?

First up is Elden Ring, which currently has a Japan-only release date of 29 April 2013. It's a follow up to The Burning Abyss and Eternal Seven that is required to play them, and much like Chrono Trigger and Chrono Cross, Elden Ring has been built to take advantage of the hardware. As we learned with Chrono Trigger from a minute glance at the ad, we are in Lands Between and there's the Dungeons Beyond.
